QUEEN PACKAGE \$275

Escape into a realm of tranquility with the Queen Package, a meticulously crafted journey designed to honor your radiance.

Your royal treatment begins with a choice of a delicately sparkling limoncello spritz or a refreshing citrus-infused mocktail, setting the stage for indulgence. Slip into a plush robe and allow the soothing scents of vanilla and citrus to envelop you as you enter a private sanctuary.

A personalized 60-minute facial awaits. Your esthetician will select from a collection of exquisite products infused with the delicate aromas of citrus and vanilla, gently cleansing and deeply hydrating your skin. Feel stress melt away as a luxurious collagen infused mask nourishes your complexion, leaving it soft, supple, and glowing.

Next, surrender to the healing touch of a 60-minute full-body massage. Expert hands will knead away tension, using a blend of aromatic oils that leave the subtle scent of citrus and vanilla on your skin. The air itself will be a haven, infused with these calming scents from our aromatherapy diffusers.

As a parting gift fit for royalty, you'll receive a curated collection of treasures to continue your pampering at home. Indulge further with samples of the luxurious facial products used during your treatment, unwind with a relaxing bath bomb, and nourish your skin with a mini body serum candle that melts into a soothing massage oil.

Leave So Fresh Spa feeling rejuvenated inside and out, radiating the confidence and inner glow that befits a Queen.
